South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Hollywood Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a learning environment where students are expected to be Respectful, Organized, Cooperative, Knowledgeable, and Safe. HES is a Positive Behavior Interventions and Support school in our fifth year of implementation. It is our priority to reinforce positive behaviors while constantly teaching our school wide expectations. Our students are taught to use critical thinking and problem solving skills. We offer this learning environment by carrying out our school wide mission: to provide engaging educational opportunities that encourage positive academics and social growth.

HES has fully implemented Common Core State Standards and Balanced Literacy in all grades. Throughout the school year teachers also implement lessons that incorporate STEM, the arts, and social sciences. We encourage our students to use higher level thinking skills and develop a strong work ethic. High quality assessments are indicators of success as scores continue to rise. Open House, Parent Conferences, and Kindergarten 101 allow teachers to share goals and expectations with our parents. We are proud of our solid past of academic success and strong parent involvement.

Our students are constantly pursuing excellence and are offered many chances to succeed. During school students help produce HES' early morning news show, The Hollywood Rock Show. After school students are able to join the Honors Choir and Percussion Ensemble and the Lucky and Little Leaf 4-H Clubs. A fifth grade Girls' Book Club was also started this year. HES has a chapter of the Elementary Honor Society that sponsors school wide events focusing on community service. The Good News Club also meets weekly.

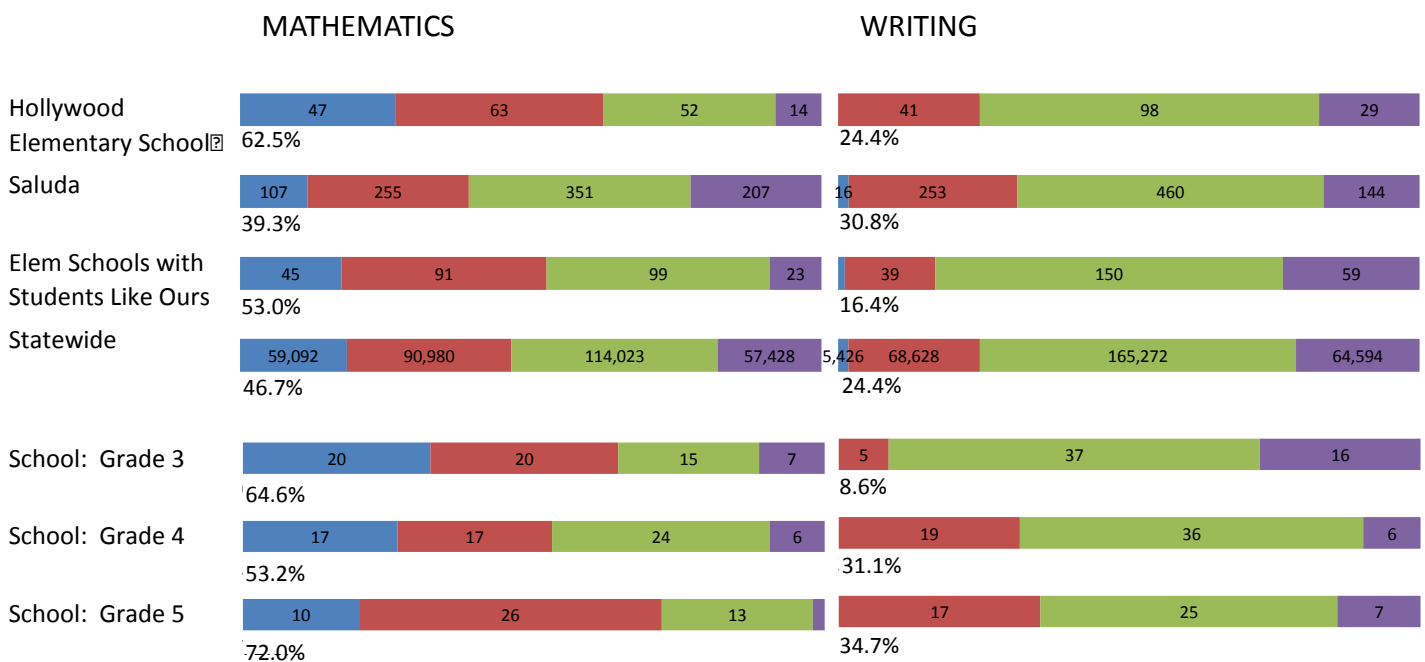

Several events were held both during and after school to bring parents and our community together. Breakfasts with our moms, dads, and grandparents and two book fairs were held. Arts on the Green was a celebration of the arts and our related arts classes. Our parents group at HES continues to be dedicated to providing support for our school.

Our teachers at HES are dedicated to providing the absolute best in instruction and care for our students. Melanie Bedenbaugh was selected as our 2014-15 Teacher of the Year. Our kindergarten teachers were honored with being selected to receive a grant from MCEC. Our school was also awarded two Donor's Choose grants.

This past school year has certainly been one where we were able to accomplish our
